COVID-19 ACTION PLAN

The United States Equestrian Federation has issued requirements and recommendations for operating USEF-Licensed Competitions in the COVID-19 environment. USEF's purpose and scope is dedicated to ensuring the safety and welfare of horses and all participants. Please understand that there is no way to eliminate all risks related to COVID-19; however,

NEC is abiding the most current requirements and following the most recent guidance from federal, state and other public health officials to help protect you, our event participants and our employees.

FEEL SICK, STAY HOME. Anyone feeling unwell at any time should not come to or stay at the facility. Anyone exhibiting symptoms of COVID-19, or who has been tested positive or have been in contact with someone who has been tested positive for COVID-19 within two weeks of the event should not enter the facility. (**Healthcare personnel who have treated patients using appropriate medical-grade PPE during the course of performing professional duties are exempt from this restriction*).

BODY TEMPERATURE CHECKS. Any individual with a body temperature of 99.5 F (37.5 C) or higher may not enter the facility. *Participants* including horse owners, lessees, riders, athletes, parents, vaulters, drivers, trainers, coaches, grooms, longeurs, navigators, personal care assistants (PCAs), and any other required support personnel/staff that are essential for providing care to the horses and/or the athletes must self-monitor their temperatures daily prior to entering the facility. *NEC employees plus* all event officials, staff, service providers, and volunteers will have body temperatures checked by non-contact thermometer daily by an NEC staff member before entering the facility.

CLOTH FACE COVERINGS or MASKS. All NEC employees will wear masks for the safety and comfort of participants. All individuals in attendance of the show must wear a cloth face covering, N-95 or KN-95 or surgical mask when in a public setting where it is *reasonably possible* to come within six feet of (an)other individual(s). Masks are not mandatory when mounted on horseback; however, no rider will be disqualified for wearing a mask while riding. Participants should supply their own cloth face covering or masks. A limited number of surgical masks will be available for purchase in the NEC Services Office.

SOCIAL DISTANCING. All participants plus competition organizers and staff and all individuals at NEC must *always* practice social distancing standards throughout the facility including outdoors on NEC property. Occupancy load restrictions establishing the maximum number of individuals permitted in a specific indoor area will be posted throughout the competition grounds. Only essential personnel will be permitted in the Show Office, and participants should expect restricted access when entering this area. Queues with ground-markers will help participants form a single-file line that maintains social distancing standards. Similar queues will be in café areas as well.

FOLLOW THE FIVE. The Center for Disease Control and Infectious Disease advises that everyone **1) Wash your hands often** with soap and water for at least 20 seconds especially after you have been in a public place, or after blowing your nose, coughing, or sneezing. If soap and water are not readily available, use a hand sanitizer that contains at least 60% alcohol. Cover all surfaces of your hands and rub them together until they feel dry; **2) Avoid touching your eyes, nose, and mouth** with unwashed hands; **3) Avoid close contact** with people who are sick, even inside your home. If possible, Stay at least 6 feet (about 2 arms' length) from other people. Remember that some people without symptoms may be able to spread virus. Do not gather in groups. Stay out of crowded places; **4) Cover your mouth and nose** i) with a cloth face mask when around others. You could spread COVID-19 to others even if you do not feel sick, and ii) If you do not have on your cloth face covering, remember to always cover your mouth and nose with a tissue when you cough or sneeze or use the inside of your elbow. Throw used tissues in the trash. Immediately wash your hands with soap and water for at least 20 seconds; **5) Clean and disinfect** frequently touched surfaces daily. This includes tables, doorknobs, light switches, countertops, handles, desks, phones, keyboards, toilets, faucets, and sinks. If surfaces are dirty, clean them. Use detergent or soap and water prior to disinfection. Then, use a household disinfectant.

ENFORCEMENT AUTHORITY. Competition organizers have the authority under GR702.1 and GR914 to remove from the facility any person who does not comply with the regulations and requirements in effect at the competition. USEF Technical Delegates will inform individuals when they are not in compliance with the regulations and requirements and will report such situations to competition organizers.

DIVISION & CLASS INFORMATION

Only active United States Equestrian Federation members may obtain amateur status (EXCEPTION: Equine Canada members in possession of current EC membership may sign for USEF Amateur status on a show-by-show basis at no cost). Participants must possess current USEF Amateur status and qualify under the USEF Amateur rules. If opportunity classes at Dressage Competitions are restricted to amateurs, riders are required to have an amateur status with USEF.

USDF Statement on Animal Welfare

The United States Dressage Federation, Inc. (USDF), a federation of over 100 independent organizations throughout the United States with a membership of nearly 30,000 members, supports the concept of ethical treatment of animals.

Dressage is a classical method of training horses, based upon the horse's natural responses, as carried out in a gradual, planned program during which the horse's athletic abilities are improved in a systematic manner. As a result, the horse becomes capable, comfortable, and responsive in partnership with the rider without the use of force. Dressage competition at various levels of achievement is the ultimate test of the training program to determine whether the desired harmony between horse and rider has been achieved.

The rules pertaining to dressage competition prohibit the use of artificial appliances, training aids, and drugs, which would force the horse to submit. Instead, the emphasis is upon training and a cooperative partnership with the rider. Major competitions are carefully monitored to assure that there is no unnecessary force or harshness displayed.

Unlike other horse sports in which horses enter training at a relatively immature state, dressage training is usually not seriously begun until the horse is three or four. The top levels of achievement require five or more years of progressive training and it is not unusual to see horses in international competition in their late teens. This, in itself, places a premium on good care and soundness throughout the horse's life.

While supporting the concept of animal welfare in its broadest form, the United States Dressage Federation, Inc., also recognizes that it is unrealistic to ascribe human emotions and responses to the horse which in its wild state is a creature of flight, living a hard and precarious existence. Under domestication, the horse is assured of ample food, water, and shelter, as well as protection against infectious diseases and damaging parasites, thus leading a longer and healthier life with a high rate of survival.

As an educational organization, USDF has numerous programs, which teach people how to pursue the accepted, humane training methods. A program of certifying instructors also emphasizes protecting the horse's welfare in pursuit of dressage training.

EVERY HORSE MUST BE STALLED; no tie-outs/jump-outs are permitted. Violations may be subject to fines. Exhibitors may not re-locate to unassigned stalls. **This

for 2020**

Membership Requirements for USEF-licensed/USDF-recognized Competitions: Owners and riders, including foreign riders and owners who are not residents of the US, wishing to participate in a USEF-licensed/USDF-recognized competition as a rider or owner/lessee, must have either a USDF Group Membership (GM), Participating Membership (PM), or have a USDF Non-Member (NM) identification number and pay the USDF Non-Member (NM) fee. (Note: USDF Business Members can own horses but cannot compete as riders with their USDF Business Membership.)

Horses competing at USEF-licensed/USDF-recognized competitions must have either a USDF Horse Identification (HID) number or a USDF Lifetime Horse Registration (LHR). Proper credentials or verification certificates must be presented to the competition secretary.

Riders and owners wishing to participate in a USEF-licensed/USDF-recognized competition, and not able to present the competition secretary with verification of a USDF membership or NM identification, and USDF LHR or USDF HID, must complete a USDF Competition Affidavit Form and pay the \$5 affidavit filing fee. A copy of a completed affidavit form from another competition may also be used for verification purposes for up to 60 days. (Exception: Affidavits cannot be used at Great American Insurance Group/USDF Regional Dressage Championships.)

Exceptions:

- Horses competing only in Individual Breed Classes (IBCs) at DSHB competitions, sires and dams of horses in DSHB group classes, where those sires or dams are not actually competing in the same competition, horses competing only in breed restricted dressage or DSHB classes at Regular Competitions (e.g. all Arabian, all Friesian, or all Morgan classes), or in USDF Introductory Level tests, pas de deux or quadrille, are exempt from this requirement. Also exempt are horses ridden in leadline, exhibitions, games and races, classes for 4-H members, walk-trot, academy, and opportunity classes.
- Riders and owners/lessees competing only in classes which are exempt from the USDF HID requirements are also exempt from the USDF NM identification number and NM fee requirements. Also exempt are handlers of horses competing in DSHB In-Hand or Group classes.

Memberships Defined

Participating Membership (PM): A membership issued to an individual directly by USDF. The membership year is December 1 through November 30. PMs are available for 1-year (\$90), 5-years (\$360), or life (\$1,800). A USDF Youth Participating Membership (YPM) is available for individuals who have not reached their 21st birthday by December 1 of the current membership year (\$72). A PM allows the member to compete at USEF-licensed/USDF-recognized competitions and to participate as a rider and/or owner/lessee for all Adequan®/USDF Year-End Awards and the Great American Insurance Group/USDF Regional Dressage Championship program.

Group Membership (GM): A membership issued to an individual by USDF when the member name and dues are submitted to USDF through an affiliate Group Member Organization (GMO). The GM year begins December 1 and ends November 30. A GM allows the member to compete at USEF-licensed/USDF-recognized competitions and participate in the USDF Rider Awards program.

Business Membership (BM): A membership that runs December 1 through November 30 and is issued to a business or organization directly by USDF. The USDF BM (\$240) offers a wider variety of advertising benefits. BMs satisfy requirements of horse ownership only.

Non-Member (NM) Identification Number: For each USDF NM owner/lessee and USDF NM rider there will be a USDF NM fee of \$35 per competition that must be collected by the show secretary and submitted to USDF, along with the USDF Report of Fees document and the \$5 affidavit fee and Competition Affidavit Form if the person cannot provide a copy of their USDF NM card. Owners/lessees or riders exempt from the NM number requirements are also exempt from paying the USDF NM fee. If there are multiple owners of a horse and all are NMs, only one of the owners must pay the NM fee. If the horse has at least one owner who is a current USDF PM, GM, or BM there is no NM fee assessed. Competition management will be invoiced for all applicable USDF NM fees not received with the USDF post-competition paperwork, along with a report listing all USDF NMs. Competition management is then required to submit the NM fees within 30 days to the USDF. An individual with a USDF NM identification number is not eligible for any USDF membership benefits. Once a USDF NM number has been assigned, a USDF NM card can be obtained from the USDF website.

Horse Identification (HID) Number: A one-time tracking number for horses (\$35). Scores earned by a horse with an HID number will be recorded, but will NOT be counted towards Adequan®/USDF Year-End Awards. A horse with an HID number is not eligible to compete in Great American Insurance Group/USDF Regional qualifying or championship classes. An HID number can be upgraded to a Lifetime Horse Registration (LHR) for a fee of \$80. If a horse has a USDF LHR it does not need an HID number. An HID number is a one-time fee that does not need to be renewed.

Lifetime Horse Registration (LHR): A horse with an LHR (\$115) is eligible for Adequan®/USDF Year-End Awards, and eligible to compete in Great American Insurance Group/USDF Regional qualifying and championship classes, assuming requirements for the owner and rider are met. If a horse has an LHR it does not need an HID number. An LHR does not need to be renewed.
