OPEN SHOW INFORMATION

- **Freestyle entries:** Except for USEF/USDF Championship classes and for FEI Pony Riders, FEI Junior, FEI Young Rider and FEI Para-Equestrian Freestyles, in order to enter a freestyle class at any level, a horse/rider combination must have received a minimum score of 63% for Training through Fourth levels and 60% for FEI levels in the highest test of the declared freestyle level or any test of a higher level at a USEF/USDF licensed Dressage Competition, Federation Licensed or FEI recognized Dressage Competition, or open Dressage class (i.e. open to all breeds) at a Federation Licensed Competition held prior to the competition where the horse/rider combination is entered to ride a freestyle class. A photocopy of the test verifying eligibility, or copy of the USDF score verification, must be submitted with the entry for a freestyle class.
Please note: A 60% or higher earned by a horse/rider combination at the FEI levels may be applied for a freestyle ridden at a lower level. Example: a 60% or higher earned by a horse/rider combination at the FEI Prix St. Georges level will allow a rider/horse combination to compete in a Fourth level freestyle (or any lower level freestyle). Additionally, as a reminder, a 60% or higher earned in the FEI Grand Prix 16-25 test will also qualify a rider/horse combination to ride the FEI Grand Prix Freestyle.
- Open show classes/divisions with less than 4 entries may be canceled or combined.
- Management will do its best to schedule specified Open classes before Championship classes where appropriate.

Regional Championship Rider Change of Region Timeline

USDF will presume qualified horse/rider combinations will compete in the region in which the rider resides as determined by the address associated with the rider's membership information on file as of July 1. Riders are NOT required to be a resident of the region to compete in that region's championship. Riders, who wish to compete at Regional Championships in a region other than their region of residence, must submit a Change of Region Form. This form must be submitted with a \$25 fee until August 1. Change of Region Forms may be accepted August 2, up to the closing date of the championship region the rider is declaring for, with a fee of \$100. **No changes of region may be made after the closing date of the region in which a rider wishes to enter, for any reason.** In addition, all persons living outside of the United States, who intend to compete in a Regional Championship, must submit a Change of Region form and applicable fee to USDF to declare a region.

Dressage Seat Medal Semi Finals (13 and under; 14-18):

All junior riders through age 18 who have qualified at any level for the Regional Championships (excluding freestyle) are automatically eligible to compete in the Semi-Final classes of the USEF/ USDF Dressage Seat Medal Program. Additionally, any rider that earns a score of 70% or higher, from an eligible Dressage Seat Equitation class, during the DSM qualifying period from August 1, 2019 through July 30, 2020 will be qualified to participate in the USDF Dressage Seat Medal Semi-Finals. One Semi-Final class will be offered for juniors, ages 13 and under, and a second Semi-Final class for riders 14 through 18 at each Great American/USDF Regional Championship. A regional champion and reserve champion for each age group will be named in each USDF region. For more details on this program and the Semi-Finals, see the USEF Rulebook, DR133 or visit the dressage page of the USEF website.

4. If a rider intends to enter a Regional Championship as an adult amateur, the rider must be an adult by the current USEF definition (DR 119.3) and a current amateur by the USEF definition. (USEF GR1306, 1307)

5. If a rider intends to enter a championship as a junior/young rider, the rider must be a junior/young rider by the current USEF definition and her/his birth date must be on file with USDF by July 1 of the championship year.
6. Photocopies of USDF/USEF membership cards and horse recording and registration certificates must accompany championship entry (USDF PM for rider, USDF PM or BM for owner, etc.).
7. Under penalty of elimination, whips may not be carried in championship tests (Exception: Competitors riding sidesaddle may carry a whip no longer than 47.2 inches (120 cm), including lash, in USEF/USDF Championships.) An adjustable-length whip may not be carried by a mounted rider.
8. Under penalty of elimination, all championship tests must be ridden from memory. (USEF DR122.1)
9. The gate at "A" must be closed for every USEF/USDF championship ride. (USEF DR126.1.f.5)
10. Under penalty of disqualification from all championship classes for the horse/rider combination, within 24 hours prior and at no time during a USEF/USDF Regional Championship competition may any horse entered in that Championship competition be ridden by anyone other than the rider entered in the Championship competition on that horse (exception: grooms riding on loose rein). Further, any horse entered in a championship competition, even entered at two levels, must be ridden by the same rider throughout competition. (USEF DR127.6) (NOTE: This applies throughout the entire competition, even after a horse has completed its championship classes.)
11. In the event of a tie (equality of total points) for champion and/or reserve champion in USEF/USDF championship classes, the collective marks will determine first, second, and/or third or all three places; (i.e. when a tie for first place is broken by collective marks, tied competitors will receive first and second places, etc.). If collective marks are equal, the tie will remain unbroken (i.e. two first places will be awarded next third place, etc.). For ties in freestyle classes refer to USEF DR129.5 which states the highest score shall be declared the winner of the class. In the case of a tie, the higher artistic score shall determine the winner. Ties (equality of total points) after second place will be broken by collective marks. Ties (equality of total points and collective marks or artistic scores) occurring in third through eight places will remain unbroken. In the case of a tie (equality of total points and collective marks or artistic scores) for champion, prize money designated for champion and reserve champion will be combined and divided equally between the two competitors.
12. Hors de Concours entries are not permitted in USEF/USDF championship classes. (USEF DR119.5)
13. In a USEF/USDF championship class, the horse/rider combination must obtain the necessary minimum percentage score to be named champion or reserve champion. (USEF DR123.6) If the highest placed horse/rider combination receives less than the minimum percentage, no championship awards or prize money will be issued, however a non-mandatory awards ceremony will be held for the entire class. In lieu of a champion and/or reserve neck sash, a first and/or second place ribbon will be awarded.
14. In USEF/USDF championship classes, a steward must be appointed to conduct a visual check of the saddlery, bits and spurs, on both sides of each horse, immediately after it has completed its test and has left the arena. The Technical Delegate may follow the competitor to a designated area if necessary. Any discrepancy to the saddlery rules will result in immediate elimination. (USEF DR126.1.i.6)
15. A Registered (R) Dressage Technical Delegate (TD), who is a current Participating Member of USDF, is required to officiate at USEF/USDF championships. TDs for competitions offering qualifying and/or championship classes must investigate incidents of non-compliance and report violations to USEF. "R" Dressage TDs hired to officiate Regional Championship classes must be selected from outside the region. This applies only to the primary competition TD, who is the person responsible for filing the TD report for the competition with USEF. (See section H.3. c, and USEF GR1018.3 and DR127.3)
16. Entries in USEF/USDF dressage championship classes are limited to competitors who have met the qualifications, membership, horse recording and registration requirements, and deadlines outlined in USEF DR127 and published by USDF. Competitors who are properly qualified, whose completed entries are received by the closing date for a particular Regional Championship, and who have complied with all championship rules may not be denied entry into the Regional Championship classes for which they have qualified. Only one class per division and/or level may be held to determine USEF/USDF regional champions. (USEF DR127.7)
17. USEF/USDF championships classes may not be split. (USEF DR126.1a.4)
18. Championship classes for juniors and young riders must only be held on Friday, Saturday, and/or Sunday. Dressage Seat Medal Semi-Finals classes must be held on Saturday or Sunday. Juniors and young riders' entries (horse/rider combinations) are limited to entry in only two championship classes, excluding freestyle.
19. Except for freestyles, the FEI Junior Team Test, and FEI Young Rider Team test, championship classes at consecutive levels, for the same division, may not be held on the same day.
- ~~20. Ribbons and prizes cannot be distributed prior to the arrival at the awards ceremony.~~
- ~~21.~~ 20. All horses competing in Regional Championships classes must be stabled on the competition grounds and must remain on the grounds for the duration of their participation in the event, from the time of arrival until the horse has finished competing in all classes. (USEF DR127.8)

UNITED STATES DRESSAGE FEDERATION™

USDF US Dressage Finals Eligibility

The US Dressage Finals is an Invitational competition using the USEF/USDF Regional Championship program to qualify. Qualifying takes place at each of the nine Great American/USDF Regional Dressage Championships, based on either 1) Ranking in a Regional Championship Class or 2) Wild Card Eligibility. Either must be achieved at a Regional Championship in a class and eligible division offered at the US Dressage Finals.

I. Qualification Based on Ranking in a Regional Championship Class:

Champion and Reserve Champion horse/rider combinations for each level and eligible division from each of the nine Regional Championships will be automatically invited, provided the following three requirements are met: US Citizenship; Declaration of Intent completed by the deadline; and earning an eligible ranking in a Regional Championship class.

Note: Since Freestyle classes at Regional Championships are not split by division, the top two declared Open horse/rider combinations and the top two declared Adult Amateur horse/rider combinations for each level from each of the nine Regional Championships will be automatically invited. In addition, to be eligible for the Adult Amateur division in the Freestyles at the US Dressage Finals, competitors must check the AA box on the Regional Championship entry form and must provide proof of Adult Amateur status prior to competing in their Regional Championship classes.

- 1) **United States Citizenship Requirement: To compete in any US Dressage Finals class, the rider must be a US citizen.**
- 2) **Declaration Requirement: The horse/rider combination must declare their intention to participate** by completing the Declaration of Intent form by midnight on the day prior to the first day of their Regional Championship competition (including any open class day before the start of championship classes). **There is no fee to declare, but horse/rider combinations must declare at the level(s) and eligible division(s) they intend to compete in at the US Dressage Finals. Go to www.usdressagefinals.com to declare.**
- 3) **Ranking in a Regional Championship Class: Eligibility to enter US Dressage Finals classes is based on a horse/rider combination's ranking in a Regional Championship class. Champions and Reserve Champions in eligible classes will be automatically invited, as long as they have declared by the deadline. *Note: In order to be named Champion and Reserve Champion in a Regional Championship class, a horse/rider combination must have achieved a score of 57% or higher.***

In the event that the Champion and/or Reserve Champion declines the invitation, or are ineligible to compete in the US Dressage Finals, the horse/rider combination that has the next highest ranking in the class will be eligible, providing they:

1. **Are a US citizen.**
2. **Completed the Declaration of Intent for that particular level and division by the deadline.**
3. **Achieved the pre-requisite score of 57% or higher.**

If that combination declines, the same process will be followed down through the fifth ranked declared horse/rider combination for that Finals level and division.

No notifications will be issued beyond the fifth ranked, of declared horse/rider combination except as may be eligible through the Wild Card invitations described below.

II. Qualification Based on Wild Card Eligibility:

Horse/rider combinations who are not otherwise qualified to compete in the US Dressage Finals based on their Regional Championship ranking (see above) may be invited to participate in a Finals class by earning a Wild Card score achieved at one of

the nine Regional Championships, provided the following two requirements are met: US Citizenship and earning an eligible Wild Card score in a Regional Championship class.

- 1) United States Citizenship Requirement: To compete in any US Dressage Finals class, the rider must be a US citizen.
- 2) Eligible Wild Card Score: Eligibility to enter US Dressage Finals classes is based on a Wild Card score earned in a Regional Championship class. For all levels and divisions from Training through Grand Prix, a horse/rider combination that competes in a Regional Championship class and achieves a score at or above the score listed below for that level and division may compete in the same level and division at the US Dressage Finals.

Note: Horse/rider combinations are not required to have filed a "Declaration of Intent" in order to receive a Wild Card invitation.

	<u>OPEN:</u>	<u>AA:</u>
Training:	72%	68%
First:	72%	68%
Second:	68%	65%
Third:	68%	65%
Fourth:	68%	65%
Prix St. Georges:	68%	65%
Intermediate I:	66%	64%
Intermediate II:	66%	64%
Grand Prix:	66%	64%
All Freestyles	68%	68%

III. Invitations:

Invitations and notifications will be emailed to eligible/qualified horse/rider combinations immediately after each Regional Championship. There will be three categories of emails:

- 1) Invitation emails will be sent to the top two of the top five declared horse/rider combinations.
- 2) Invitation emails will be sent to combinations eligible for a Wild Card.
- 3) Notification emails will be sent to the third to fifth declared horse/rider combinations, notifying them that they are on the reserve/alternate list and reminding them to check the website for any status changes that would make them eligible for an invitation.

In the event that an invited horse/rider combination scratches, invitations may be issued up to the start of the competition.

Note: Competitors do not need to receive an actual invitation to nominate themselves for the US Dressage Finals. The entry system will have their eligibility status and they can nominate prior to receiving an email invitation.

IV. Nomination Requirement:

Nomination, including payment of the nomination fee, is required for participation in US Dressage Finals classes, whether qualifying through ranking in a Regional Championship class or by Wild Card Eligibility. The nomination deadline is midnight, 96 hours after the last championship day in the regional championship show in which the horse/rider combination competed. Each US Dressage Finals horse/rider combination is required to complete the nomination (preliminary entry) process including the horse/rider combinations on the reserve/alternate list. The Nomination fee paid will be applied to the total amount due at Closing Date.

V. Entry Requirements

Completed entries for the US Dressage Finals *must be received* by the closing date, October 19, 2020 midnight Eastern Time. Priority for all stabling requests (including stabling in Alltech Barns and for double stalls) will be based on the date of receipt of the COMPLETE online entry. Due to COVID-19 Best Practices, each online entry must include the following: full payment, fully signed 2020 US Dressage Finals entry form and signed USEF Waiver, current negative Coggins test and current Flu/Rhino Vaccine Record. All documents must be uploaded when you receive your online entry confirmation from Horseshowoffice.com, that is emailed immediately to you after you enter online. The last factor in determining stabling priority will be the allotted number of Alltech stalls available per region.

USDF Membership Benefits: USDF is dedicated to education, the recognition of achievement, and promotion of dressage. For details on member benefits, including educational programs, awards, and other opportunities, refer to the *USDF Member Guide* or the USDF website at www.usdf.org.

**This
competition
is recognized
by USDF
for 2021**

Membership Requirements for USEF-licensed/USDF-recognized Competitions: Owners and riders, including foreign riders and owners who are not residents of the US, wishing to participate in a USEF-licensed/USDF-recognized competition as a rider or owner/lessee, must have either a USDF Group Membership (GM), Participating Membership (PM), or have a USDF Non-Member (NM) identification number and pay the USDF Non-Member (NM) fee. (Note: USDF Business Members can own horses but cannot compete as riders with their USDF Business Membership.)

Horses competing at USEF-licensed/USDF-recognized competitions must have either a USDF Horse Identification (HID) number or a USDF Lifetime Horse Registration (LHR). Proper credentials or verification certificates must be presented to the competition secretary.

Riders and owners wishing to participate in a USEF-licensed/USDF-recognized competition, and not able to present the competition secretary with verification of a USDF membership or NM identification, and USDF LHR or USDF HID, must complete a USDF Competition Affidavit Form and pay the \$5 affidavit filing fee. A copy of a completed affidavit form from another competition may also be used for verification purposes for up to 60 days. (Exception: Affidavits cannot be used at Great American Insurance Group/USDF Regional Dressage Championships.)

Exceptions:

- Horses competing only in Individual Breed Classes (IBCs) at DSHB competitions, sires and dams of horses in DSHB group classes, where those sires or dams are not actually competing in the same competition, horses competing only in breed restricted dressage or DSHB classes at Regular Competitions (e.g. all Arabian, all Friesian, or all Morgan classes), or in USDF Introductory Level tests, pas de deux or quadrille, are exempt from this requirement. Also exempt are horses ridden in leadline, exhibitions, games and races, classes for 4-H members, walk-trot, academy, and opportunity classes.
- Riders and owners/lessees competing only in classes which are exempt from the USDF HID requirements are also exempt from the USDF NM identification number and NM fee requirements. Also exempt are handlers of horses competing in DSHB In-Hand or Group classes.

Memberships Defined

Participating Membership (PM): A membership issued to an individual directly by USDF. The membership year is December 1 through November 30. PMs are available for 1-year (\$90), 5-years (\$360), or life (\$1,800). A USDF Youth Participating Membership (YPM) is available for individuals who have not reached their 21st birthday by December 1 of the current membership year (\$72). A PM allows the member to compete at USEF-licensed/USDF-recognized competitions and to participate as a rider and/or owner/lessee for all Adequan®/USDF Year-End Awards and the Great American Insurance Group/USDF Regional Dressage Championship program.

Group Membership (GM): A membership issued to an individual by USDF when the member name and dues are submitted to USDF through an affiliate Group Member Organization (GMO). The GM year begins December 1 and ends November 30. A GM allows the member to compete at USEF-licensed/USDF-recognized competitions and participate in the USDF Rider Awards Program and the USDF Regional Schooling Show Awards Program.

Business Membership (BM): A membership that runs December 1 through November 30 and is issued to a business or organization directly by USDF. The USDF BM (\$240) offers a wider variety of advertising benefits. BMs satisfy requirements of horse ownership only.

Non-Member (NM) Identification Number: For each USDF NM owner/lessee and USDF NM rider there will be a USDF NM fee of \$35 per competition that must be collected by the show secretary and submitted to USDF, along with the USDF Report of Fees document and the \$5 affidavit fee and Competition Affidavit Form if the person cannot provide a copy of their USDF NM card. Owners/lessees or riders exempt from the NM number requirements are also exempt from paying the USDF NM fee. If there are multiple owners of a horse and all are NMs, only one of the owners must pay the NM fee. If the horse has at least one owner who is a current USDF PM, GM, or BM there is no NM fee assessed. Competition management will be invoiced for all applicable USDF NM fees not received with the USDF post-competition paperwork, along with a report listing all USDF NMs. Competition management is then required to submit the NM fees within 30 days to the USDF. An individual with a USDF NM identification number is not eligible for any USDF membership benefits. Once a USDF NM number has been assigned, a USDF NM card can be obtained from the USDF website.

Horse Identification (HID) Number: A one-time tracking number for horses (\$35). Scores earned by a horse with an HID number will be recorded, but will NOT be counted towards Adequan®/USDF Year-End Awards. A horse with an HID number is not eligible to compete in Great American Insurance Group/USDF Regional qualifying or championship classes. An HID number can be upgraded to a Lifetime Horse Registration (LHR) for a fee of \$80. If a horse has a USDF LHR it does not need an HID number. An HID number is a one-time fee that does not need to be renewed.

Lifetime Horse Registration (LHR): A horse with an LHR (\$115) is eligible for Adequan®/USDF Year-End Awards, and eligible to compete in Great American Insurance Group/USDF Regional qualifying and championship classes, assuming requirements for the owner and rider are met. If a horse has an LHR it does not need an HID number. An LHR does not need to be renewed.

2021 Great American Insurance Group/USDF Regional Dressage Championships

In addition, Alaska and Hawaii may each hold state championships if an official request from a Group Member Organization (GMO) is received by April 1 of the prior year. The Regional Championship Program Rules can be found on the USDF website at www.usdf.org. Please refer to the 2021 USDF Member Guide for the comprehensive list of rules and requirements for this program.
